#### **CLAIMS OF COPYRIGHT INFRINGEMENT.**

NEW FOCUS is committed to respecting others' intellectual property rights, and we ask our users to do the same. NEW FOCUS may, in its sole discretion, terminate the access rights of users who violate others' intellectual property rights.

The Digital Millennium Copyright Act of 1998 (the "DMCA") provides recourse for copyright owners who believe that material appearing on the Internet infringes their rights under U.S. copyright law. If you believe in good faith that materials hosted by NEW FOCUS infringe your copyright (for example, materials posted by NEW FOCUS), you (or your agent) may send us a notice requesting that the material be removed, or access to it blocked. The notice must include the following information: (a) a physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed; (b) identification of the copyrighted work claimed to have been infringed (or if multiple copyrighted works located on the Site are covered by a single notification, a representative list of such works); (c) identification of the material that is claimed to be infringing or the subject of infringing activity, and information reasonably sufficient to allow NEW FOCUS to locate the material on the Site; (d) the name, address, telephone number and email address (if available) of the complaining party; (e) a statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent or the law; and (f) a statement that the information in the notification is accurate and, under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed. Notices with respect to the Site should be sent to:
